

# 2010 NAMI Santa Clara Donors

Thank You — Muchas Gracias — Merci to our Wonderful 2010 Donors

The needs of our affiliate have been growing over the years. In 2010, we offered numerous support groups for both families and consumers. There were ten English, two Spanish and two Chinese Family to Family courses, six English and one Spanish Peer to Peer courses, three Provider Education courses, two BASICS courses and three Parents & Teachers as Allies presentations. We now have our first coordinators/employees for these programs to ensure their future. The classroom in our office hosts many people in these support groups and classes where people feel safe and comfortable and obtain the valuable support and resources that we provide. They become educated about these disorders and learn how they can bring balance into their lives through the trauma recovery model. Our Warmline continues to offer valuable support and resource information for hundreds of calls. These endeavors and many not mentioned could not have happened without your valuable support from \$5 to \$5000 and above. Every dollar you donate helps create this environment and gives us the ability to grow. You and your contributions are an important part of NAMI. We so appreciate your support...we can't thank you enough!

Best to and yours,

Kathy Forward, Board President

Academy for Salon Professionals	David Burnham	Edwina Dowell	Joseph Grippo
